Addressing Your Travel Concerns

Canadian Mountain Holidays has been moving guests through the mountains of Western Canada for over forty years. In that time, we have sourced-out the safest, quickest, most reliable transportation available.

Please consider discussing your travel plans with the Transportation Coordinators and Reservations Agents at CMH when preparing for your heli-ski trip. The Coordinators and Agents are qualified and experienced with winter travel through the remotest areas of the Canadian Rockies and will help you

make good decisions.

The Transportation Team is also available to help coordinate your Special Transportation needs. Whether it be arranging for a private plane or to have your corporate jet met by a chartered helicopter, limousine, or bus; facilitating a late arrival into a lodge or an early departure, we are very familiar with the airports and airstrips that service our heli-ski areas as well as the resources available to complete your journey into and out of the lodges. We monitor Environment Canada's website for the most cur-

rent short and long-range weather and road conditions.

Contact the Transportation Team or a Reservation Agent at 403/762-7100 and we'll be pleased to help you reach the world's greatest heli-skiing in the quickest and most efficient way.

Travel Advice for New Guests and Veterans

Over the years CMH has developed a few principles to guide guests through the transition from home to heli-ski lodge. Always:

- Carry your passport.
- Carry-on your ski boots.
- Limit luggage to 18kg/40lbs.
- Advise the CMH Transportation Team of any changes to your travel itinerary.

Upon arriving at Calgary International Airport please collect your luggage and proceed across the street to the Delta Calgary Airport Hotel. There you will be greeted by a CMH representative and given specific instructions.

Late arriving guests or mid-week arrivals should also proceed to the Delta Calgary Airport Hotel where you will be met by a CMH representative or pre-arranged car and

driver to continue your journey into the lodges.

Guests arriving via Kelowna, Prince George, Vancouver or other way-points need to be in contact with the CMH Transportation Team prior to arriving and upon arrival at the airport so that CMH may monitor your progress and travel arrangements.

Passport Control

A VALID PASSPORT IS REQUIRED FOR ENTRY INTO CANADA.

If you arrive in Canada from a foreign country, including the United States of America, you must clear Canadian Customs and will be required to produce a valid passport (in some cases, a driver's license and birth certificate will suffice, however check with authorities before leaving your home).

If you have been convicted of a criminal offence, you may be denied entry into Canada. Contact the Canadian Border Services Agency prior to your departure for more information regarding your official status. You may require a legal pardon from your country or some such document to gain entry into Canada.

If you are denied entry into Canada at the port of entry, please

notify CMH of your delay and contact your attorney for advice.

CMH at the Delta Calgary Airport Hotel

Representatives from Canadian Mountain Holidays may be found in the lobby of the Delta Calgary Airport Hotel on Fridays and Saturdays for trips beginning on the weekend; and on certain days during the week to facilitate scheduled mid-week heli-ski trips.

Upon arriving in Calgary, please present yourself to the representatives for a cheerful welcome and specific instructions for continuing on to the lodges.

In the unfortunate circumstance of lost luggage, please file a claim with the airline and repeat the in-

formation to the CMH representative who may monitor the situation and assist with your luggage recovery. CMH will make every effort to forward your luggage to the lodge, however additional expenses may be incurred by the guest and applied to their tripbill.

Transportation To and From the Areas

Transportation from Calgary via Banff to the area lodges covers an enormous amount of land of varied geography. You will travel from the flat prairie surrounding Calgary, through the rolling foothills of the Front Range and into the heart of the majestic Canadian Rockies. Your journey will expose you to winter driving conditions which may involve snow, ice, wind, cold temperatures and low visibility, all factors that contribute

to the best skiing in the world. For these reasons your patience and cooperation, while enroute to the lodges, is appreciated and will be greatly rewarded during your stay at the lodges.

Every effort is made to maintain a strict travel schedule while traveling to and from the lodges. However, your journey is at the mercy of the weather and road conditions. Please plan accordingly

when arranging your travel itinerary. Do not rely on unrealistic travel connections and avoid disappointment by allowing yourself enough time to complete your journey in less than ideal weather conditions.
